

## Dog Rules & Posse Activities

Although the Wulfman was rarely seen without his two happy and faithful four-legged companions, he would have secured his pooches away from the runners at an event like this. Please do the same with your dogs. **Dogs are not allowed in this race.**

**Alternative activities for your posse:** Fishing Homestake Lake is a fun side attraction, and the Homestake parking area supports several other non-race trails worth exploring to the north and east in *Beaverhead-Deerlodge NF*, including the section of CDT that go all the way to, and beyond, the towering *Lady of the Rockies* statue that overlooks Butte. The *Lady* is the USA's largest Madonna statue. Of course, use of the CDT is restricted to foot, bicycle, and horseback, but other trails are designated for ATV travel.
