

Wulfman's Golden VIP Charity Registration

Previously, entries into Wulfman's CDT-14K have been limited to 240 runners per year, and that is still true but with a modification. We now also offer ten additional **VIP Golden Charity Registration** slots to those who *really* want to help us benefit southwest Montana's *Continental Divide National Scenic Trail* (CDT).

Each Golden VIP registration sells for \$100, and that money (as with other race profits) will go directly to helping the Beaverhead-Deerlodge National Forest Service district build, improve, and maintain the CDT in our area.

These Golden VIP registration slots will also come with perks, and our list of ideas on this is still growing, but here is what we have so far:

- **Pick your own race start time.**
- **Golden colored race bib.**
- **Free pass to the front of any Honeybucket line.**
(Wulfman called them Honeybuckets. The rest of us know them as port-a-potties.)
- **Free pass to the front of food line at the post race picnic.**
- **Recognized at awards ceremony.**

We are open to your reasonable suggestions. Let us know if another perk would make VIP registration attractive.
